NO WORK OR DEMOLITION SHALL BEGIN WITH A PERMIT

This permit is granted on the condition that demolition shall comply with City of Mayfield ordinances and regulations regarding demolishing buildings. **All building construction materials shall be removed from the property and disposed of at the appropriate trash disposal location and not buried on any property located in the City of Mayfield.** Demolition of the building shall be completed within sixty (60) days, after the issuance of this permit. If demolition is not completed with sixty (60) days, or any provisions of said ordinances are violated, the permit shall become invalid. Applicable utilities shall be notified for proper disconnection requirements. The issuance of this permit does not release the applicant from compliance with any local, state, or federal regulations. The demolition of any structures may require that an asbestos survey be conducted by a certified asbestos abatement contractor and approval obtained from the Kentucky Division of Air Quality. ***Contractors awarded jobs by the City of Mayfield must go through the process of filing a ten day air quality notification with the Division of Air Quality in Paducah.** Where applicable, it is the responsibility of the owner or contractor to contact **Kentucky Division of Air Quality in Paducah at 270-898-8468.**
